WOLVERCOTE TREE GROUP MEMBERSHIP BENEFITS

WELCOME TO WOLVERCOTE TREE GROUP!

It's great to know there are people like us who feel passionately that trees play a vital role in our local community and the global environment. We hope you'll help us maintain Wolvercote's Community Orchard opposite The Trout Inn on Godstow Road – a much-valued local asset - and to preserve our green lungs, monitoring and maintaining trees in and around the village. We have three major events every year: wassailing the fruit trees in the depth of winter, picnicking under the apple blossom in spring, and Apple Day in Autumn. Your help in staging these events will be very welcome.

We meet all together once a year for our Annual General Meeting when we hear about the previous year's progress, activities and successes, approve accounts, collect membership fees and plan for the coming year. We're always on the lookout for new Steering Committee members. The Committee meets no less than four times each year, so your commitment would be manageable. Please contact the Secretary to put your name forward.

Looking forward to working with you.

MEMBERSHIP BENEFITS

1. Members receive an electronic newsletter at least three times per year detailing news and information about group activities, workdays, talks, workshops, and regular events including Wassail Night, Blossom Day and Apple Day.
2. Members are encouraged to put themselves forward for election to the Steering Committee at the Annual General Meeting held in January/February each year. Committee members sit for three years and are then eligible for re-election.
3. Members are entitled to use the Group's apple juicing equipment free of charge on Community Juicing Days. Non-members will be charged.
4. The Community Orchard is closed to the public in the weeks before Apple Day to preserve the crop for our main fundraising event. Members may have access to the orchard during the closed period. In heavy-cropping years, members will be invited to take excess apples and to pick any apples remaining on trees after Apple Day.
5. Members receive a discount on some orchard produce on Apple Day and in the Community Market
